

## **MONTHLY REPORT TO MEMBERSHIP**

January, 2020

### **HAPPY NEW YEAR!!!**

#### **NEW WEBSITE**

Anyone with appropriate photos should share them with VSTA so we can post them on our new website. Any relevant informational items that you may want to disseminate please pass along that information.

#### **TEACHER RETIREMENT SEMINAR**

This year's seminar took place at Central High School on Tuesday, January 14 at 3:45 pm. Refreshments were served. Ron Gross, the Long Island representative for the NYSTRS made a presentation. Bert Thomas, our 457 representative was not present but forwarded important information that was disseminated to assist in setting up your 457 tax deferred account.

#### **RED VSTA LOGO BAGS**

Dues paying members, from all Units, should have received the VSTA logo bag. Use them with pride. Displaying our logo/brand is a unifying force. They would be great to carry your piles of papers, labs, thematic essays, DBQs, Dairies, Critical lenses, Proofs, Algebraic Equation, Listening Comprehensions, or just your lunch to and from school. If you live in Suffolk County, the county that no longer provides either paper or plastic bags, they make shopping a little easier too.
